For children entering Kindergarten in the fall of 2019. Held at the Gemini Center, Safety Town is a one-week course that focuses on teaching children safe practices both at school and at home. The curriculum includes pedestrian safety, school bus safety, fire safety, seat belt safety, water safety, 911 emergency calls, and stranger danger. The children are instructed and practice how to cross the street safely. This program is geared to help children become comfortable around Law Enforcement and Fire Fighters.

Safety Town utilizes a realistic, child-sized town designed to provide a complete hands-on safety education for children entering kindergarten in the fall. Working traffic signals, miniature buildings, cross walks, and traffic provided by the children on vehicles help give the children the experience they need before they take their final walk on a real street with real traffic and signals.
